Please read this information so that you will know: to remain on the BROWN CARPET during your child's class, only bring cameras the last day of class and not to use the puzzles and toys on the pre-school gym cupboards. YOU MAY USE THE TOYS NEAR THE OFFICE ON THE CARTS. Please do not come early to pre-school classes and begin to use the puzzles in the PS Gym. Our instructors will welcome you after finishing other classes. The puzzles and manipulative activities are part of our curriculum, especially for Honeybees classes. Our instructors will let you know when the manipulatives are planned for use. Please read our safety posters!
